

hello, i'm

Tsepin  
**Anthony**

Frontend developer / UI & Brand Designer

me@anthony.com.ua

---

30 y.o., currently i live and work  
in **Kharkiv, Ukraine** as  
Full Stack developer and graphic designer.

#### Facts

I play the guitar, love geek stuff, books and video games,  
also I have couple of pet projects.

Have **14 years** of commercial experience in UI/UX  
design and **7 years** in web development.

I had been working as a freelancer for 5 years,  
then realized that i can grow professionally  
only as a team member.
